## MESSAGE FROM OUR CEO

We appreciate your expressed interest in the educational opportunities offered at Ausford College. At Ausford College, our mission is to provide an exceptional and comprehensive learning experience, facilitated by a team of dedicated, ethically driven, and highly qualified professionals. We are deeply committed to fostering an environment that empowers students to cultivate their intellectual curiosity, develop essential skills, and ultimately achieve their full potential.

Our educational philosophy centers on the belief that every student possesses the capacity for remarkable growth and success. We are confident that Ausford College's robust academic programs, coupled with our personalised support services, will effectively equip our students to surpass their academic and professional aspirations.

We place a high premium on the holistic development of each individual, recognising that personal growth and well-being are fundamental to academic achievement.

To ensure that we can provide tailored guidance and support, we strongly encourage prospective students to schedule individual consultations with our admissions team.

These meetings will allow us to gain a thorough understanding of your unique educational background, career objectives, and personal aspirations. We are eager to collaborate with you to develop a personalised academic pathway that aligns with your specific needs and enables you to successfully realise your ambitions.

We look forward to the opportunity to partner with you on your educational journey at Ausford College.

Best Wishes  
**Ben Chen**  
CEO  
Ausford College

Your work is going to fill a large part of your life, and the only way to be truly satisfied is to do what you believe is great work. And the only way to do great work is to love what you do.

.....Steve Jobs

# WHY CHOOSE AUSFORD COLLEGE?

## Ausford Provides Internationally Recognised Qualifications

Ausford college provides Australian Qualifications Framework (AQF) nationally accredited qualifications by the Australian Government's Department of Education and Training. All Australian accredited qualifications under AQF are recognised internationally.

## Career Focus

At Ausford College, the real bottom line is employment outcomes for our students which is why we have dedicated Internship program . Our internship team consults closely with industry leaders to identify the skills and aptitudes required for roles within their sector. Our internship counselors are available to provide students and graduates of Ausford College with assistance with CVs, interviewing skills, identifying, creating and taking advantage of employment opportunities and more. Ausford's internship counselors are well-connected, and outcome focused. They connect students with career opportunities for the field in which they have studied.

## Industry Connection

Whether you're completing your qualification or engaging in Professional Development Programs to progress your career or change career direction,

Ausford's strong industry links and wide networks will help you develop your skills, gain valuable experience and make contacts to boost your career opportunities. Individual faculties and academics also organize industry visits to give you an insight into career paths and help you start building networks for future employment.

## Pre-Employment Training

Our pre-employment training programs are industry focused and provide a supportive environment where candidates can grow, learn and develop their skills in preparation for employment. Our partnerships enable us to run programs in line with industry demands, thereby enhancing the chances of employment for the participants.

## Your Career Pathways Portal

Ausford College provides complete and individually tailored programs. From school, progressing through to vocational education and training into a career or direct to higher education, you can then access employment opportunities and ongoing skills development. It's the pathway to your future career.

## Personalist Support

Your success is our goal, we make sure this is a reality by providing you with a friendly environment that will make it near impossible not to achieve your goals. Ausford College has a team of dedicated consultants who will assist and hold one-on-one sessions with students to tailor a personalised support plan with students.

## Kickstart your career

You'll get all the support you need to kickstart your career from our innovative careers team, including guaranteed work experience opportunities for all undergraduate students. You'll benefit from opportunities with big employers, and have access to lifelong careers support after graduation.

## Find your new home

After a full day of lectures, you'll need a space to relax, study and socialise with friends. All of nearby accommodation halls are within easy walking distance of campus with a wide range of prices and contract durations available. All are self-catered and fully furnished, with options for en-suite bathrooms, on-site gyms and social spaces.

## Teaching method designed around you

You deserve a positive learning experience. With this in mind, you'll enjoy an innovative teaching approach. This allows you to focus on one subject at a time, with more regular assessments and a better studylife balance so that you can enjoy all that college life has to offer.

## Student Gateway

The Student Gateway is Ausford's one-stop shop for any non-academic enquiries. Our friendly team will be able to give advice on important subjects such as careers, housing, money, welfare support and international issues.

# OUR COURSES

Ausford College offers a diverse portfolio of courses designed to cater to a variety of academic and professional aspirations. Our curriculum is meticulously crafted, blending theoretical foundations with practical applications to ensure students gain both knowledge and real-world skills.

From vocational training programs that equip individuals with industry-specific competencies to academic courses that foster critical thinking and intellectual growth, our offerings are designed to be relevant and impactful.

We are committed to providing a learning experience that is both rigorous and engaging, preparing students for success in their chosen fields.

## ENTRY REQUIREMENTS

Located in Burwood, a suburb in the inner West of Sydney, Ausford College provides courses in the areas of Hospitality Management and Leadership and Management. With well-located and comfortable facilities for students, industry current trainers and assessors along with modern equipment and resources, Ausford College is a wise choice for your learning and future.

We are a private institution. VET courses broaden your skills in specialised areas and are competency based. This means that you are either Competent, or Not Competent, and if you achieve competence for all your units that make up a qualification then you can be awarded with your qualification certificate.

### Ausford College has the following entry requirements:

- Be at least 18 years of age and have completed the equivalent of Year 12.
- Participate in a course entry interview to determine suitability for the course and student needs.
- Have an IELTS\* score of 6.0 (test results must be no more than 2 years old). English language competence can also be demonstrated through documented evidence of any of the following:
  - Educated for 5 years in an English-speaking country;
  - Or successful completion of an English Placement Test.

Other English language tests such as PTE and TOEFL can be accepted. You are required to provide your results so that we can confirm they are equivalent to IELTS 6.0.

## SIT40521 Certificate IV in Kitchen Management

( 78Weeks )

CRICOS Course Code: 113826G

### Course Overview

This qualification reflects the role of chefs and cooks who have a supervisory or team leading role in the kitchen. They operate independently or with limited guidance from others and use discretion to solve non-routine problems.

This qualification provides a pathway to work in organizations such as restaurants, hotels, clubs, pubs, cafes, and coffee shops, or to run a small business in these sectors.

Work Placement Required hours for this course is 192 and schedule as part of your course

### Units of Competency

The following units are included in this course, and all are required to award the qualification. Students who only complete some units will be awarded a Statement of Attainment for units successfully completed.

Code	Title	Core/Elective
SITHCCC023*	Use food preparation equipment	Core
SITHCCC027*	Prepare dishes using basic methods of cookery	Core
SITHCCC028*	Prepare appetisers and salads	Core
SITHCCC029*	Prepare stocks, sauces and soups	Core

BSBTEC301	Design and produce business document	Elective Group D

### Employment Opportunities

Potential employment options are in any hospitality industry sector as a departmental or small business manager.

# BSB60420 Advanced Diploma of Leadership and Management

( 78Weeks )

CRICOS Course Code: 113825H

## Course Overview

This qualification reflects the role of individuals who apply specialised knowledge and skills, together with experience in leadership and management, across a range of enterprise and industry contexts.

Individuals at this level use initiative and judgement to plan and implement a range of leadership and management functions, with accountability for personal and team outcomes within broad parameters.

They use cognitive and communication skills to identify, analyse and synthesise information from a variety of sources and transfer their knowledge to others, and creative or conceptual skills to express ideas and perspectives or respond to complex problems.

## Units of Competency

The following units are included in this course, and all are required to award the qualification. Students who only complete some units will be awarded a Statement of Attainment for units successfully completed.

Code	Title	Core/Elective
BSBCRT611	Apply critical thinking for complex problem solving	Core
BSBLDR601	Lead and manage organisational change	Core
BSBLDR602	Provide leadership across the organisation	Core
BSBOPS601	Develop and implement business plans	Core
BSBSTR601	Manage innovation and continuous improvement	Core
BSBHRM614	Contribute to strategic workforce planning	Elective
BSBPMG633	Provide leadership for the program	Elective
BSBSTR801	Lead innovative thinking and practice	Elective
BSBSTR602	Develop organisational strategies	Elective
BSBSUS601	Lead corporate social responsibility	Elective

## Employment Opportunities

Potential employment options are in any industry sector as a departmental or small business manager, with roles including Executive Director, Executive Manager, General Manager, Senior Executive, Business Manager, Human Resources Manager, and Sales Team Manager.

# ICT60220 Advanced Diploma of Information Technology

( 104Weeks )

CRICOS Course Code: 115267F

## Course Overview

This qualification reflects the role of individuals in a variety of information and communications technology (ICT) roles who have significant experience in specialist technical skills, or managerial business and people management skills.

Individuals in these roles carry out complex tasks in a specialist field, working independently, leading a team or a strategic direction of a business. They apply their skills across a wide range of industries and business functions, or as a business owner (sole trader/contractor)

### The skills required for these roles may include, but are not restricted to:

**Advanced data management information:** creating, designing and monitoring complex systems that store data, and optimising organisational knowledge management

**Cyber security:** protecting sensitive data and information through security architecture, and developing disaster recovery and contingency plans

**Full stack web development:** building advanced user interfaces, developing representational state transfer application program interfaces (REST APIs) and designing user experience solutions

**Further programming:** applying advanced ICT languages to maintain security and manage data

**IT strategy and organisational development:** managing and communicating strategic ICT business solutions

**Systems development and analysis:** modelling and testing data objects, data processes and preferred ICT system solutions

**Telecommunications network engineering:** managing logistics, organisational specifications, regulations and legislative requirements across network projects.

## Units of Competency

The following units are included in this course, and all are required to award the qualification. Students who only complete some units will be awarded a Statement of Attainment for units successfully completed.

Code	Title	Core/Elective
BSBCRT611	Apply critical thinking for complex problem solving	Core

ICTCYS612	Design & implement virtualised cyber security infrastructure for organisations	Core
ICTNPL413	Evaluate networking regulations & legislation for telecommunications industry	Core
ICTNWK612	Plan and manage troubleshooting advanced integrated IP networks	Core
ICTPMG613	Manage ICT project planning	Core
ICTTEN615	Manage network traffic	Core
ICTTEN622	Produce ICT network architecture designs	Core
ICTICT523	Gather data to identify business requirements	Core

## Employment Opportunities

Potential employment options are in any hospitality industry sector as a departmental or small business manager.

## BSB80120 Graduate Diploma of Management (Learning)

( 78Weeks )

CRICOS Course Code: 114378G

### Course Overview

This qualification reflects the role of individuals who apply highly specialised knowledge and skills in the field of organisational learning and capability development. Individuals in these roles generate and evaluate complex ideas. They also initiate, design and execute major learning and development functions within an organisation.

Typically, they would have full responsibility and accountability for the personal output and work of others. This qualification may apply to leaders and managers in an organisation where learning is used to build organisational capability

### Units of Competency

The following units are included in this course, and all are required to award the qualification. Students who only complete some units will be awarded a Statement of Attainment for units successfully completed.

Code	Title	Core/Elective
BSBHRM613	Contribute to the development of learning & development strategies	Core
BSBLDR811	Lead strategic transformation	Core
TAELED803	Implement improved learning practice	Core

BSBSTR801	Lead innovative thinking and practice	Elective
BSBLDR602	Provide leadership across the organisation	Elective
BSBOPS601	Develop and implement business plans	Elective

### Employment Opportunities

Potential employment options are in any industry sector as a departmental or small business manager, with roles including Sales and Marketing Manager, Corporate General Manager, Department Manager, Training Manager, General Manager, Human Resources Manager, and Business Analyst.

## CHC43015 Certificate IV in Ageing Support

( 52Weeks )

CRICOS Course Code: 115268E

### Course Overview

This qualification reflects the role of support workers who complete specialised tasks and functions in aged services; either in residential, home or community based environments. Workers will take responsibility for their own outputs within defined organisation guidelines and maintain quality service delivery through the development, facilitation and review of individualised service planning and delivery.

Workers may be required to demonstrate leadership and have limited responsibility for the organisation and the quantity and quality of outputs of others within limited parameters.

### Units of Competency

The following units are included in this course, and all are required to award the qualification. Students who only complete some units will be awarded a Statement of Attainment for units successfully completed.

Code	Title	Core/Elective
CHCADV001	Facilitate the interests and rights of clients	Core
CHCAGE001	Facilitate the empowerment of older people	Core
CHCAGE003	Coordinate services for older people	Core
CHCAGE004	Implement interventions with older people at risk	Core
CHCAGE005	Provide support to people living with dementia	Core
CHCCCS006	Facilitate individual service planning and delivery	Core
CHCCCS011	Meet personal support needs	Core
CHCCCS023	Support independence and wellbeing	Core
CHCCCS025	Support relationships with carers and families	Core
CHCDIV001	Work with diverse people	Core
CHCLEG003	Manage legal and ethical compliance	Core
CHCPAL001	Deliver care services using a palliative approach	Core
CHCPRP001	Develop and maintain networks and collaborative partnerships	Core
HLTAAP001	Recognise healthy body systems	Core
HLTWHS002	Follow safe work practices for direct client care	Core
CHCCCS007	Develop and implement service programs	Elective
CHCCCS019	Recognise and respond to crisis situations	Elective
CHCDIV002	Promote Aboriginal and/or Torres Strait Islander cultural safety	Elective

### Employment Opportunities

Potential employment options are in the community services sector as a coordinator or supervisor, with roles including Community Program Coordinator, Residential Care Worker, Support Worker (Community Services), Care Supervisor, Accommodation Support Worker, Personal Care Worker, Personal Care Giver, Assistant Hostel Supervisor, Personal Care Assistant, Residential Care Officer, Day Activity Worker, and Care Team Leader.

# CHC52021 Diploma of Community Services

( 78Weeks )

CRICOS Course Code: 120560C

## Course Overview

This qualification reflects the role of community services workers involved in the delivery, management and coordination of person-centred services to individuals, groups, and communities.

At this level, workers have specialised skills in community services and work autonomously within their scope of practice under broad directions from senior management.

Workers support people to make change in their lives to improve personal and social wellbeing and may also have responsibility for the supervision of other workers and volunteers. They may also undertake case management and program coordination. Work Placement Required hours for this course is 100 and schedule as part of your course

## Units of Competency

The following units are included in this course, and all are required to award the qualification. Students who only complete some units will be awarded a Statement of Attainment for units successfully completed.

Code	Title	Core/Elective
CHCCCS004	Assess co-existing needs	Core
